## **CMIS VISION STATEMENT**

Educational excellence in a caring community committed to Christian values, equipping international students for lives of learning and positive contributions locally and globally.

## **CMIS MISSION STATEMENT**

Chiang Mai International School belongs to the Church of Christ in Thailand, the national Protestant church. CMIS recognizes that each person is loved and valued by God. Our school builds character and stimulates students to develop and use their gifts, while recognizing, appreciating, and encouraging the gifts of others.

1. CMIS fosters high quality academic achievement, inspiring students to life-long learning, and equipping them for further study and the pursuit of worthwhile vocations around the world.
2. CMIS celebrates the richness and variety of an international community in a Thai setting. The school encourages students, parents, and staff to appreciate the culture and people of Thailand, and to enjoy strong international relationships throughout life.
3. CMIS teaches and models the Christian worldview, demonstrates the love of God in community life, and encourages the development of good character. At CMIS, students can make their own informed response to what is taught in an environment where opinions, differences, and other worldviews are discussed with mutual respect.
4. CMIS is a caring community, which nurtures a sense of belonging and mutual responsibility for the well-being, safety, and healthy lifestyles of staff, students, and their families.

## **CMIS EDUCATIONAL OBJECTIVES (main headings only)**

1. To foster an atmosphere where students will enjoy relationships and learning.
2. To stimulate students' growth at each grade level and in all areas of the curriculum.
3. To encourage the development of students' abilities in critical, analytical, and independent thinking, demonstrated in fluent oral and written communication.
4. To encourage participation and to develop skills in the creative and performing arts, and in sports and other physical activities.
5. To cultivate and demonstrate attitudes and behaviors showing care and respect for others, the environment, the country, and world in which we live.
6. To facilitate students' abilities to evaluate and use appropriate technology and educational materials in all subjects.
