

## “EQUIPPING INTERNATIONAL STUDENTS...

for lives of learning and positive contributions locally and globally.”

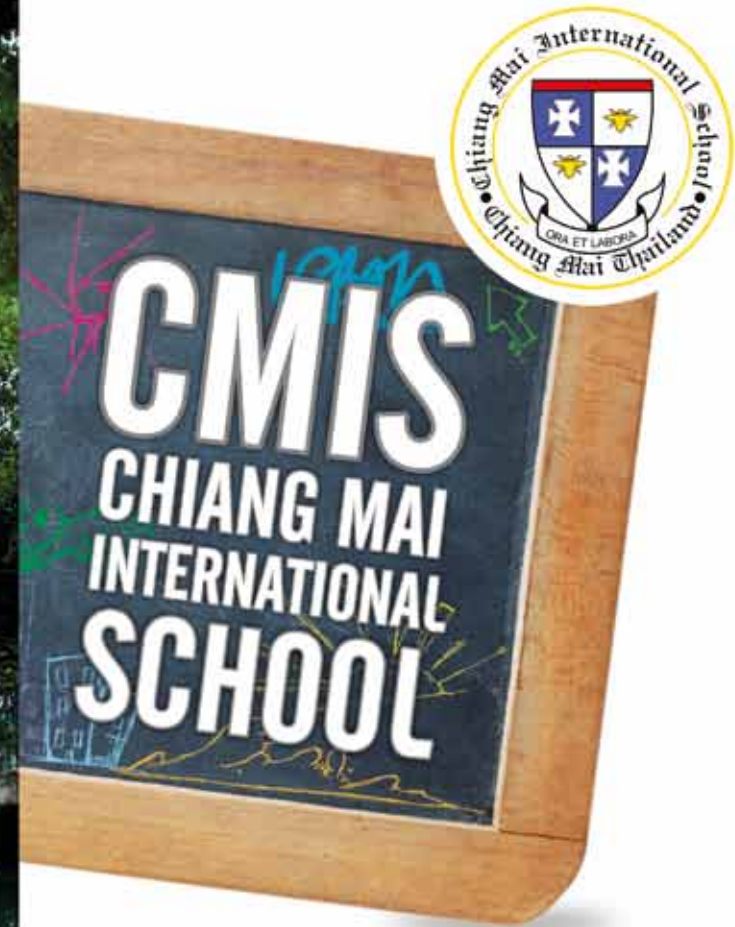

CMIS students come from over 30 countries; many hold dual citizenship.

Programs and activities seek to raise awareness of each student’s ability to make a difference while here in Thailand and wherever they may live in the future.

CMIS was originally established in 1954 to serve the needs of the American missionary and diplomatic communities. It became the first official international school outside of Bangkok in 1985.

## OUR VISION

*Educational excellence in a caring community committed to Christian values, equipping international students for lives of learning and positive contributions both locally and globally.*

## EDUCATIONAL EXCELLENCE...

Committed, qualified, and experienced faculty, selective admission procedures, and small class sizes have all contributed to CMIS' reputation for academic excellence.

A challenging standards-based American curriculum is offered to prepare students for admission to universities and colleges throughout the world.

## IN A CARING COMMUNITY...

Home room teachers seek to nurture in each student a healthy sense of self-respect, mutual belonging, and responsibility. Additional support is given by a personal counselor, guidance counselor, support specialists, and school nurse.

Students mix formally and informally between grade levels. Parents are an integral part of CMIS through their involvement in many aspects of school life.

The result is a strong sense of community that is highly valued.

## COMMITTED TO CHRISTIAN VALUES...

CMIS welcomes children of all faiths, cultures, nationalities, and backgrounds, while remaining true to its original core values of the Christian faith.

Virtues are actively acknowledged and nurtured in order to build strong character.
